Summer 2021

We've Gone GREEN!

Here at Colorado River Adventures, your maintenance fees go towards things that matter! We recently implemented new upgrades to reduce our carbon footprint. We started at Emerald Cove and added solar panels to power our Country Store, Tiki Bar and even our Main Office.

We have also updated the interior of our buildings to LED lighting AND because we understand the importance of 'Going Green' - even our newsletters are produced on recycled paper!

We are continuing our efforts to Go Green and we hope you can do the same within our parks as well - recycle when and where you can! Remember we are all in this together.

Be Energy Efficient!

**Help us prevent rolling blackouts and conserve energy
in extreme heat when camping in your RV!**

1. Place fridge in Gas mode
2. Turn water heater off (including electrical switch outside if equipped).
3. Keep doors, windows & shades closed during the day.
4. Do not use microwave at the same time as air conditioner.
5. Cool off in the pool with your family, friends and favorite beverage!

You are sharing power with your Neighbor please be considerate.

(Dates and scheduled activities are subject to change.)

BEAT THE HEAT!

'Ovenless' Recipes

TURKEY CLUB WRAP:

Start with a flour tortilla, layer sliced turkey, ham and cheese of your choice, thin sliced tomato, shredded lettuce, mayo mustard and roll away! You can add of your favorite extras like bacon or avocado! Roll in foil or parchment for easy clean up!

EASY TUNA SALAD BOATS:

Drain tuna, chop up your favorite extras like red onion and celery, mix together with mayo or dressing of your choice, even a spoon of relish can add something to it! Spoon into romaine stalks and enjoy!

STRAWBERRY CHEESECAKE BITES:

Hollow out the center of your strawberries (enough for filling), trim ends so they won't tip over. Use a hand mixer to cream together 1 cup cream cheese, 1/2 cup heavy cream and 1/4 cup powdered sugar, blend until fluffy. Fill strawberries. For the topping: crush several graham crackers until they are crumbs and sprinkle all over the top!

PEPPER BELLIES (aka THE WALKING TACO):

Need a quick & easy meal on-the-go? Cut down the long edge of a small bag of Fritos. Microwave chili and spoon over chips. Sprinkle shredded cheese, add sour cream and any extra toppings you'd like and enjoy! No mess, quick clean up on this one!

DON'T FORGET ABOUT THE LITTLES!

Vacationing with the kiddos is always fun! We want your little ones to remember their visit too! Just a friendly reminder about our Kids Clubs; **Emerald Cove**, **KQ Ranch**, **Cherry Valley** and **Ghost Mountain** all have fun crafts and activities throughout the week to keep them busy. We can't thank the amazing staff enough for all their efforts keeping the Kids Clubs going! (Most Kids Clubs operate Wednesday-Sunday.)
