SUMMER GRILLING RECIPES!

STUFFED BACON WRAPPED JALAPENOS:

Slice jalapenos in half, remove seeds, set aside. Mix a filling of your choosing (shredded cheese, cream cheese, etc.), fill each half of the jalapeno, place two halves together and wrap with a strip of bacon. Secure with 1-2 toothpicks and grill.

KABOBS (WITH OR WITHOUT MEAT):

Slice your veggies into thick coins or wedges. Cut up meat of your choice and alternate vegetables and meat on your kabob sticks. Season entire kabob with salt and pepper and/or sauce. Easy to customize for a range of appetites!

BBQ BANANA BOATS:

Cut a slit down the length of an unpeeled banana and separate slightly to make room for fillings. Crumple together a piece of foil to hold the banana in place and upright. Grab your favorite fillings (chocolate chips, marshmallows, M&M's, peanut butter), grill for 8-10 minutes and serve.

CAMP FIRE CONES:

This one couldn't be easier! Grab waffle cones, various fillings of your choosing, chocolate, diced fruit (combinations are endless). Fill your cones, top with a jumbo marshmallow and wrap in foil. Place on the grill for 3-5 minutes, unwrap and enjoy!

Summer with the Kids!

We know you're ready for summer and the kids are gearing up for summer break so we've compiled a few tips to make sure everyone can get involved in the camping experience!

PLAN • From mapping your road trip destinations to planning the restaurants or pitstops along the way get everyone together and take everyone's ideas into consideration.

PICK • Pick your parks accordingly – Emerald Cove, KQ Ranch, Ghost Mountain and Cherry Valley offer Kids Clubs with activities and crafts throughout the week for them to participate in. Check with parks for hours of operation.

PREPARE • First time RVing? Don't forget to bring a little something from home. A favorite blanket, a cozy pillow or a 'stuffy' as some call them – just an extra piece of comfort for them in their home away from home.

Remember traveling with family, your significant other or even alone – things can go wrong. Make the best of it when you can! Bring your sense of humor, some patience and an open mind to turn the mishaps into fun memories you can share for years to come!
