# Why Membership Matters:

## The Value of Being Part of Colorado River Adventures

### More Than Just Camping

For over 40 years, Colorado River Adventures has been building more than RV parks — they cultivate a community where families, friends, and nature lovers come together to make lasting memories. Membership isn't just about access; it's about belonging, adventure, and peace of mind.

### Tangible Benefits You'll Enjoy:

#### Access to Top Tier RV Resorts & Variety of Destinations

- Members can stay at ten private RV resorts and campgrounds throughout the West Coast and into Mexico.
- Whether you prefer riverfront beaches, sandy shores, lush forests, or mountainous terrain — there's a location to match your mood.

#### Amenities that Make Every Stay Comfortable & Fun

- Full hookups for RVs, sandy beaches, clubhouses, swimming pools, jacuzzis, and clean modern facilities.
- Kid-friendly features: kids' clubs, outdoor games, mini golf, plus adult-oriented amenities.
- 24-hour gated security and friendly, helpful staff — peace of mind is part of the package.

#### Flexible & Enhanced Reservation Amenities

- Members get priority access and better availability for campsites and resort accommodations.
- Options for rental cabins, cottages, etc., and multiple resort choices for different trip styles.

### Community & Experience:

#### Belonging & Shared Memories

- CRA emphasizes "family camping the way it used to be," focusing on connection, time together, and shared experiences.
- Planned activities, community events, and natural settings foster friendships and traditions.

#### Referral Program & Incentives

- Members who refer friends/family can earn rewards: extra nights of camping, free dues, gift cards, etc.
- This rewards sharing the adventure, and strengthens the community with people you know.

### Value Over Time & Cost Advantages:

#### Long-Term Value vs One-Off Stays

- Instead of paying nightly rates repeatedly, membership allows access across many resorts, giving more options for where and when you stay.
- For frequent campers or multiple family trips, the value compounds as you leverage multiple resorts, amenities, and seasons.

### Cost Predictability & Perks:

- Having access to member only perks and pricing helps with budgeting vacations.
- Referral and loyalty rewards help offset certain costs.

#### Family Focus & Safe Environment

- Safety is a priority: 24/7 monitoring, rules to protect all guests, pet-friendly areas, clean facilities.
- Designed for multi-generational camping: kids, teens, grandparents. Everyone has space to relax and enjoy.

#### Respect for Nature & Green Initiatives

- CRA's resorts are located in scenic environments—rivers, beaches, mountains—which naturally leads to an ethos of care.
- Some properties have taken steps toward sustainability (LED lighting, solar panels at particular resorts) to reduce environmental impact.

#### Quality over Quantity

- Rather than being a generic campground, CRA invests in high-quality amenities, clean resort standards, and diversified resort experiences.
- They aim to deliver more than a place to park, a resort lifestyle balanced with outdoor adventure.

### Is CRA Membership Right for You?

If you love the idea of having multiple beautiful places to go camping, with reliable amenities, community vibes, and shared experiences a CRA membership delivers. For those who camp occasionally, it may be more than needed; but for families, frequent travelers, or those building traditions, it can pay off well.
